

The diagram illustrates the hierarchy of domain names. It consists of three horizontal bars of increasing length, each with a vertical line extending downwards to a label. The first bar is the shortest and is labeled "Sub Domain". The second bar is longer than the first and is labeled "Root". The third bar is the longest and is labeled "eTLD : Public Suffix List".

Host Name      Domain Name

The diagram illustrates the decomposition of a path into a scheme and a domain. It consists of a horizontal line with three segments. The first segment is labeled 'Scheme', the second segment is labeled 'Domain', and the third segment is labeled 'Path'. The segments are separated by vertical tick marks on the horizontal line.
